**NOTIFICATION OF DOCKET ENTRY**

This docket entry was made by the Clerk on Wednesday, October 21, 2020:

MINUTE entry before the Honorable Susan E. Cox: Discovery hearing held. The temporal scope of discovery is limited from January 1, 2007 through August 17, 2015, for the reasons discussed in open court. The Court may consider arguments to extend the scope at a later date, but believes that the time period ordered here strikes a fair balance between relevance and burden as required under Rule 26(b). As per the Electronically Stored Information (ESI) protocol, the Court rejects Plaintiff's proposed changes to the model ESI protocol adopted by the Seventh Circuit, and orders the parties to move forward with ESI discovery pursuant to the agreed ESI protocol as described in Defendant's discovery conference submission. Status hearing is set for 12/16/20 at 10:00 a.m. Call in information is 888–684–8852 and the passcode is 1664086. Counsel shall dial in to the conference call number 5–10 minutes before the hearing begins and mute their microphones until their case is called. The parties may disconnect from the conference call after their case is heard. Mailed notice (np, )
